

# MP-320

**Import:**

ComLine GmbH  
Lise-Meitner-Straße 16  
24941 Flensburg

For decades, our renowned studio monitor and loudspeaker designs have been helping artists hear themselves and perform their best. The triple dynamic driver design of the MP-320 In-Ear Monitors offer a great balance between deep bass, vocal definition, and high-frequency detail making them perfect for both live performance and personal listening. When you need to hear every detail of your performance, the MP Series has you covered.
